WHEN PERSONAL DATA ARE COLLECTED FROM THE DATA SUBJECT

(GDPR ARTICLE 13)

Regarding the article 13 (1) of regulation (eu) 2016/679 of the European Parliament and of the Council of 27 april 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing directive 95/46/ec (general data protection regulation) the controller hereby notifies the job seekers and other data subjects as follows:

- The identity and the contact details of the controller:
 - o AGISANTÉ Healthcare Recruitment Kft.
 - o Seat: HU-1027 Budapest, Fő utca 80. 2. em. 9/A.
 - o Business Registration no.: 01-09-945133
 - o Companies Register Record was made by the next Court: Fővárosi Törvényszék Cégbírósága
 - o National tax number: 22928131-2-4
 - o Telephone: +36 1 302 2680
 - o Fax: +36 1 224 0389
 - o E-mail: info@agisante.com

- The identity and the contact details of the controller's representative:
 - o Mr. Guillaume Marie Daniel Bernard managing director

- The purposes of the processing for which the personal data are intended as well as the legal basis for the processing:
 - o to provide employment agency services and to maintain contact with data subject
 - o freely given consent regarding the point a) of the article 6 (1) of GDPR and the point a) of the article 5 (1) of the Act CXII of 2011 on Informational Self-Determination and Freedom of Information ("Hungarian Privacy Act");

- The recipients or categories of recipients of the personal data:

- Information about the fact that the controller intends to transfer personal data to a third country or international organisation:

- The period for which the personal data will be stored:
 - The job seekers' data and the documents which contain these data are stored by the controller for at most a ten year period after receipt of them if the job seeker asks for it by an express written request in order to get job vacancies information from the controller during this period. If the job seeker doesn't ask for it or he or she explicitly refuses it, the controller delete the job seeker's data from its databse and destroy all of him or her documents as soon as possible after that the controller provided the data services to the employer for concluding job contracts with the job seeker. Before the end of this ten year period, the controller shall ask the job seekers's consent to the data processing, as pointed out above. If the job seekers don't make any declaration or they expressively object against it, the controller shall delete these job seekers' data and destroy their documents as soon as possible.
 - The data controller shall delete the other contracting natural person partners' data and destroy their documents immediately if the controller doesn't further need for them for its activities or if the partner has explicitly given his or her consent to a ten year storage period, after the end of this ten year period of storage, as soon as possible. Before the end of this ten year period, if it is necessary, in case of a decision about the prolongation of partnership, this agreement shall contain the partner's consent to the data processing for at most a ten year period;
 - Respecting the tax and accounting legislation, all data (the name and address of customers or any other persons making any payment, the paid amount and the date) recorded in accounting documents shall be processed and stored by the controller until the end of a period of eight years starting from the date of the recording of the accounting document, regarding the article 169 (2) of the Hungarian Act no. C of 2000 about the accounting. The above mentioned data shall be sent to the Hungarian tax authority (Nemzeti Adó- és Vámhivatal). These accounting documents and the data recorded in them shall be destroyed and deleted after the end of this eight year period, as soon as possible (except of the above mentioned case when the customer or the partner asks for the processing of his or her data for the above mentoned period and goal);
- The job seekers' and other data subject's rights concerning the data processing: the job seeker and other data subject has the right to request from the controller access to and rectification or erasure of personal data or restriction of processing concerning the data subject or to object to processing as well as the right to data portability. The detailed rules are uploaded on the website of the controller (www.agisante.com);
- Information about the existence of the right to withdraw consent at any time, without affecting the lawfulness of processing based on consent before its withdrawal where the processing is based on point (a) of Article 6 (1) or point (a) of Article 9 (2): the job seeker or

other data subject has the right to withdraw his or her consent to the data processing at any time despite the fact that he or she has had given consent to the processing of his or her personal data for one or more specific purposes or approval to the processing of special personal data for one or more specified purposes. In this case the controller shall delete the personal data from the database immediately;

- The right to lodge a complaint with a supervisory authority: without prejudice to any other administrative or judicial remedy, every job seeker or other data subject shall have the right to lodge a complaint with a supervisory authority, in particular in the Member State of his or her habitual residence, place of work or place of the alleged infringement if the data subject considers that the processing of personal data relating to him or her infringes the legislation. In Hungary the competent authority is Nemzeti Adatvédelmi és Információszabadság Hatóság (seat: H-1125 Budapest, Szilágyi Erzsébet fasor 22/C);
- Whether the provision of personal data is a statutory or contractual requirement, or a requirement necessary to enter into a contract, as well as whether the data subject is obliged to provide the personal data and of the possible consequences of failure to provide such data: on one hand the provision of personal data is voluntary and on the other it is indispensable for fulfilling the service contract by the agent because this is the only way of getting information about the job seeker's qualification and base of professional knowledge.
- The existence of automated decision-making, including profiling, referred to in Article 22 (1) and (4) and, at least in those cases, meaningful information about the logic involved, as well as the significance and the envisaged consequences of such processing for the data subject: the controller doesn't use at all this method.
